The College "Spiders" Befeated by th Newport News Salt-Water Team. NEWPORT NEWS, VA., May 26 .- (Spe Mal.)-There were over three fred people at Riverside Park this eve ning to witness the game of ball between the Richmond College team and the Newport News boya. This was the first game played on the new grounds, which was in fine condition. The Newport News nine looked well in their new uniform, and played good ball. The college boys were defeated by a score of 14 to 12. The college team outbatted the Newport News club, but their fielding was bad. Blanford, who plays left field on the Newport News nine, came to the bat in the fifth inning, when three men were on the bases, and sent the first ball thrown to him over the right-field fence, bringing in all three men and crossing the home-plate himself. This brought forth wild shouts of applicates. This hit evidently won the game for the home team. port News boys. This was the first game

The Industrial group was weaker than the general list, but this is only natural, in view of the recent steady rise, and the fact that there is a certain class of operators that invariably evens up its trades before a holiday. The net changes show advances of 14 to 25 per cent, in the railway list, and declines of 14 to 15 per cent, in the Industrials. Whiskey, however, gained 16, and Rubber common 14 per cent, on the day. The total transactions were 104,000 shares. The bond market was strong.
